Rebekah,

I was going to be in depos all the rest of this week but late last night some of them were canceled. Could we talk Thursday, when I'm back in SF? My schedule is clear that day.

Hi Wendy, I just left you a voice message. Let me know when you are available for a brief chat regarding the questions from TRW on the costs that you raised with me on Friday. Tomorrow is a holiday but I'm otherwise around this week.
Best, Rebekah
